RAJYA SABHA

Monday, the 6th March, 2006/15 *Phalguna,* 1927 *(Saka)*

The House met at eleven of the clock,

MR. DEPUTY CHAIRMAN in the Chair.

ORAL ANSWERS TO QUESTIONS

Projects for Development of NER

*201. SHRI LALIT SURI: Will the Minister of DEVELOPMENT OF NORTH EASTERN REGION be pleased to state:

(a) the development projects in the North Eastern Region sanctioned by Government during 2003-04, 2004-05 and 2005-06;

(b) the funds allotted for each project, the date of commencement of work and likely date of completion in each case; and

(c) the steps taken/proposed to be taken to expedite the completion of the projects where the progress of work has been delayed for more than a year beyond the stipulated date?

THE MINISTER OF DEVELOPMENT OF NORTH EASTERN REGION (SHRI P.R. KYNDIAH): (a) and (b) A statement is laid on the Table of the House. (*See* below).

(c) The projects are implemented by the State Governments. None of the projects sanctioned in 2003-04, 2004-05 & 2005-06 and already started has yet exceeded the stipulated time-limit.

Statement

Projects Sanctioned Under non-lapsable Central Pool of Resoruces (NLCPR)

Arunachal Pradesh

SHRI LALIT SURI: Mr. Deputy Chairman, Sir, the development of the North-East is very important, and the Government is giving due importance to it. Specially, development of the North-East sector is very close to the heart of the hon. Prime Minister. But, Sir, I asked a similar question, which was Unstarred, on 12.12.2005, for which a very elaborate answer with a lot of facts was given. It was stated that there is slow progress on the part of the State Government agencies in implementation of these projects and various reasons were given for the same. The reasons were: Long rainy season, slowness on the part of the State Governments to release funds, law and order situation and limitation of technical and professional expertise. Sir, a similar question has been asked now, after three months, and, Sir, the answer given is, "The projects are implemented by the State Governments. None of the projects sanctioned in 2003-04, 2004-05 and 2005-06 and already started has yet exceeded the stipulated time limit." Sir, either that answer is incorrect, or this answer is incorrect. So, I would like to know from the hon. Minister the factual position in this regard.

SHRI P.R. KYNDIAH: It is true, Sir, that slow progress of the projects was reported in 2003-04. But, I can make a mention here that while I agree with the hon. Member that there are many reasons which cause delay, particularly, the lack of professional capacity and so on, but, I would like to say that so far as the project at serial no. 5 is concerned, this work could not be started because of encroachment on land. For project at serial no. 12, tenders have been invited twice, but no one is willing to work. The State Government is proposing to dump this project, and so on and so forth. But, we are keen that these projects are implemented with speed. There is no doubt about that. But, we do have some problems, and these problems are being sorted out. So, on the whole, by and large, the projects that we sanction from our Ministry are being implemented in a very speedy manner.

SHRI LALIT SURI: Sir, I can understand that there are certain delays in implementation of these projects. But, at the same time, I would also like to know from the hon. Minister as to what the Government is doing to

make sure that the people/contractors who are given the work to execute these projects are well-equipped so that they can complete these projects on time.

SHRI P.R. KYNDIAH: Well, Sir, this is a matter which is being dealt with by the State Governments, because whatever sanction we accord, the State Governments have to implement it. Whenever any matter comes to my notice, we certainly, take steps to help the State Governments, wherever we can. In fact, quite a few number of projects are being implemented by the PSUs. In those projects, things are going on very well. But, when you depend on private contractors, we do have problems, which we are trying to sort out.

SHRI MATILAL SARKAR: Sir, first of all, I must thank the hon. Minister for sanctioning a good amount of money for the construction of a medical college in Tripura. At the same time, I would like to invite his attention to the fact that so far as projects to Tripura are concerned, very few projects have been sanctioned, both in the case of the DONER and in the case of the NEC.

Projects like Bilthoi-Damchera road project, Chebri-Teliamurajatan Bari Project, and Bishalgarh-Sonamura project, were to be included in the Tenth Plan but these are neither returned nor accepted. So, I would like to know from the hon. Minister, the status of these projects.

SHRI P.R. KYNDIAH: Sir, I believe, the hon. Member is referring to the projects of Tripura...

MR. DEPUTY CHAIRMAN: Yes, he is from Tripura.

SHRI P.R. KYNDIAH: I think, he is referring to the year 2005-06.

MR. DEPUTY CHAIRMAN: He is saying that these projects are not included in the Tenth Plan. (*Interruptions*)

SHRI K.R. KYNDIAH: Sir, the projects in order to be accorded sanction must go through a certain procedure. The first one is, they must prepare a concept paper. After which, the Ministry goes through these papers and retain it. After retention only then the approval comes. I do not know at what stage the projects are in. But, we will certainly look into them.

MR. DEPUTY CHAIRMAN: You can send the details to the hon. Member.

SHRI SILVIUS CONDPAN: Sir, I understand that the DONER has been set up by the Central Government a couple of years ago to oversee the development of different States of the North-Eastern Region. The North-

Eastern States are suffering from different problems for want of funds, for want of projects from the Central Government and there is a lot of resentment among the people of different States. I would like to know what mechanism is available with the DONER to find out the lacking things or the missing things to really cope up with the overall development of the North-Eastern States.

SHRI P.R. KYNDIAH: Sir, it is true that there are very high expectations not only in the context of Prime Minister's package, from time to time, but, apart from that, it is a fact that every Ministry, except those which are exempt, are contributing 10 per cent of their Budget fund for the development of the North-East. Some of the Ministries do spend the amount in the North-Eastern Region, but some of them cannot spend all that amount. In such cases, the unspent balance goes to the non-lapsable pool of resources. A part of which is being administered by my Ministry. We are taking steps to see that whatever amount is earmarked to the North-East must be spent, and schemes implemented in full.

श्री मुख्तार अब्बास नकवी: उपसभापति जी, नॉर्थ ईस्ट में, पूर्वोत्तर राज्यों में जो भी विकास की योजनाएं हैं, इनमें विशेष रूप से कुछ परियोजनाओं के लिए, नॉर्थ ईस्ट के विकास के लिए केन्द्र सरकार विशेष पैकेज देती है। मैं आपके माध्यम से माननीय मंत्री जी से जानना चाहता हूं कि केन्द्र सरकार द्वारा जो विशेष पैकेज दिए जाते हैं, उनके इस्तेमाल के संबंध में, विकास के संबंध में, प्रदेश सरकार के द्वारा उसकी रोशनी नॉर्थ ईस्ट के हर आखिरी व्यक्ति, हर आखिरी आदमी तक पहुंच सके, उसके लिए क्या किया जाता है? और केन्द्र सरकार द्वारा मात्र यह कहने से कि प्रदेश सरकार इन योजनाओं को, परियोजनाओं को या विकास के कार्यों को लागू करती है, काम नहीं चलेगा, क्योंकि ऐसे कई समाचार आते रहे हैं कि कई विकास की योजनाओं को वहां के जो नक्सलवादी संगठन हैं या अलगाववादी संगठन हैं, वे प्रभावित करते हैं। तो मैं जानना चाहता हूं कि क्या केन्द्र सरकार ने कोई विशेष निगरानी की योजना बनाई है या केन्द्र द्वारा वहां जो विशेष पैकेज दिए जाते हैं, उनकी देख-रेख की कोई योजना बनाई है? यदि बनाई है तो उसकी क्या रिपोर्ट है?

SHRI P.R. KYNDIAH: Sir, we are very careful about the amounts spent in the North-East. I agree with the hon. Member, apart from high expectations, there have been a number of complaints here and there mostly in the media. But we do not have any direct complaints. It is also a fact, as mentioned by the hon. Member, the Prime Ministers from time to time, do give packages to the North-East. These packages or projects are being implemented through the State Governments. It is also true that we are mainly concerned with the quality and timely implementation of the projects. For instance, at my level, at the district level, sanctioned projects

are continuously monitored by obtaining periodical progress reports from the State Governments, depicting both the financial and physical progress of the projects. We are concerned not only with delays but also with the outcome. This is our way of working. Number two, we have review meetings and inspections regularly held by the officers of the Ministry. Number three, the field inspections are undertaken by the officers of the DONER, from time to time. Inspection reports are placed on the website of the Ministry. It provides useful insight into the reasons for delay in the implementation and the possible solutions for various types of bottlenecks. Not only that, at every level, for every project we insist that there must be a nodal officer. This is number one. Number two, for every quarter, the Chief Secretary of the State will have to monitor and inform us about the progress of the work.

MR. DEPUTY CHAIRMAN: Next question. ...*(Interruptions)*... It is done party-wise. ...*(Interruptions)*... Please understand that I can give chance to one Member from one party. ...*(Interruptions)*... I cannot call all the Members from a party. ...*(Interruptions)*... Otherwise, I cannot take up other questions. Question No. 202. He is not present.

SHRI DINESH TRIVEDI: Sir, regarding Question No. 202, I have a point of order. ...*(Interruptions)*... There should be a direction. ...*(Interruptions)*...

MR. DEPUTY CHAIRMAN: I have not taken up Question No. 202.

SHRI DINESH TRIVEDI: Sir, it is stated that the answer is on the website. ...*(Interruptions)*... It is highly objectionable. ...*(Interruptions)*... How can it be on the website? ...*(Interruptions)*... We have our right to know the answer. ...*(Interruptions)*... Kindly give your direction.

श्री दत्ता मेघे: सर, जो यहां क्वेश्चन पूछे जाते हैं ...(व्यवधान)... सर, 202 के उत्तर में ... (व्यवधान)... Sir, I have a point of order. ...*(Interruptions)*...

MR. DEPUTY CHAIRMAN: The answer is given. ...*(Interruptions)*... That is only additional information. ...*(Interruptions)*...

SHRI DINESH TRIVEDI: Please read the last line. ...*(Interruptions)*... Information is sought for the last three years. ...*(Interruptions)*...

MR. DEPUTY CHAIRMAN: I have read the last line. Whatever reply has to be given has been given, plus if you want to have additional information, visit that website. ...*(Interruptions)*...

SHRI DINESH TRIVEDI: This is not a good precedent being set in the House.

MR. DEPUTY CHAIRMAN: I will get it examined and see whether it is done under the rules. ...*(Interruptions)*... I will get it examined.

Registered units of SSIs in the country

*203. SHRI MATILAL SARKAR: Will the Minister of SMALL SCALE INDUSTRIES be pleased to state:

(a) the number of registered units of small scale industries in the country upto the 31st December, 2005, State-wise and Union Territory-wise;

(b) how many of these are in running condition and how many have been closed;

(c) the reasons for such a big number of units having been closed;

(d) the number of workers having lost their work; and

(e) the steps taken to check failures upto such an extent?

THE MINISTER OF SMALL SCALE INDUSTRIES (SHRI MAHAVIR PRASAD): (a) to (e) A statement is placed on the Table of the House.

Statement

(a) According to the information received from the Directorates of Industries of States/Union Territories, the estimated total number of SSI units registered all over the country upto 31 December 2005 was 18,41,248. The State-wise and Union Territory-wise break-up of these registered small scale industries is given in the enclosed Statement-I (*see* below).

(b) The information on closed small scale industries has not been collected by the State Governments/Union Territory Administrations or the Central Government after the Third All India Census (2002-03) of small scale industries. According to the results of that Census, 39 per cent of small scale industries registered upto 31 March 2001 were found closed during enumeration.

(c) Fall in demand for the products of SSI units, use of outdated technology, difficulty in availability of working capital and raw materials, constraints in electricity supply and other infrastructure, management inadequacies, etc., are some of the main reasons of closure of these units.
